Re: Alpha Construction Co. Inc.

To Whom It May Concern:

Please accept the following letter of recommendation for Alpha Construction Co. Inc.

Hoffman Concrete Co., Inc. has had the pleasure of working with Alpha Construction Co. Inc. on several projects over the past 30 years. We've had only positive dealings with Alpha during this time.

Alpha is a highly qualified and respected general contract within the industry. Alpha has survived the many construction down falls when others have failed due to their ability to provide quality products within the contract time frame and on budget.

Alpha has repeatedly shown only professionalism, honesty and loyalty in all our dealings with them. They're quick to help resolve any issues/matters that may arise during a project.

It is with these and many more experiences with Alpha that Hoffman has experienced over the years that we would without hesitation recommend them for your project.

If you would like to further discuss this please feel free to call me at 951-372-8333.

Sincerely,

Dean Hoffman
